SPECIAL FEATURES

This is Chianti at its best. Organic vineyard is at altitude in the Tuscan hills using all of the 4 classic Chianti grapes, including the traditional use of white grapes which provide the necessary acidity and structure to the wine, without the need of additives - something uncommon in most modern Chianti. A rare find and a completely authentic, joyous, incarnation of this Italian Classic red.

TASTING NOTES

Pomegranate and ruby red with an intense, persistent nose characterised by hints of violet and rich black and red cherries. Balanced, well-structured, good tannins and satisfying mouth feel.
