SPECIAL FEATURES

We love this deliciously dry, aromatic and unusual wine made with the distinctive Muscat grape and packed full of flavour. The wine is grown on a plot adjacent to the sea and grapes benefit from plenty of sunshine, cooled by sea breezes. Very small yields, hand harvested and selected on the sorting table. Fermentation at low temperature.

TASTING NOTES

Expressive, intense Muscat grape nose with pear, banana and lemon. Fresh, exotic fruit palate with lichee, mango, white peach and ripe lemons.
