## SPECIAL FEATURES

We've been working with Patrice Achard for many years, and the quality and passion behind every single thing he does is a constant source of inspiration. In this classic and utterly authentic Gamay, he uses his tiny plots and small yields to best advantage. Grapes are hand picked and selected at the point of perfect maturity to ensure the typicality and fullness of the fruity flavours. Not only is his vineyard organic and bio-dynamic - but it has now been awarded the hard-toget HVE 3 for its exceptionally high environmental value. The wine is made traditionally, vinifification and maceration over 10 days. No crushing. The wine is aged for 6 months in stainless steel tanks. No oak.

WINE AT HOME SAYS

We've been waiting for this for some time. Drinking superbly - a delightfully light and fruity red that works lightly chilled, with all the usual things, or on its own.
