SPECIAL FEATURES

We've worked with the Luneau family for many years and remain big fans of their tremendous work on the vines over 6 generations as well as their commitment to the environment. Winemaking doesn't get more traditional than this. Grapes are hand harvested at full ripeness, destemmed by hand and go through a cold maceration before a long fermentation in underground vats. The juice goes through daily punching and low pressing as well as malolactic fermentation. No chemicals are used.

TASTING NOTES

Typical Gamay deep red colour with a floral, blackberry and raspberry nose. Floral attack on the palate with more red berry fruits and a very slightly spicy, smoky finish.

WINE AT HOME SAYS

Local Loire hero. We love this light, fruity red that is perfect on its own, with goats cheese, salads and light mains. Can be served lightly chilled.
