SPECIAL FEATURES

We cannot fault this beautifully made Gavi, made by Giulia Cabella at her stunning vineyard, 300m above sea level on the slopes of Tessarolo. Grapes benefit from a superb south/south westerly exposition. Grapes are hand harvested in mid September, very softly crushed and fermented slowly with careful temperature control and indigenous yeast. Very light filtration. Limited production. Each bottle is numbered. A Wine at Home special.

TASTING NOTES

Peach, apricot, floral nose with a bright and lively attack. White flowers, peach and pineapple palate with good mineralogy and a long, complex and persistent finish. Extremely well balanced.

NOSE Delicate Floral Citrus Aromatic Toasty
