SPECIAL FEATURES

Our favourite Prosecco from the fantastic organic vineyards of the Loris family, who pioneered the Charmat Spumanti Prosecco method in 1936, on the slopes between Valdobbiadene and Conegliano. There is no residual sweetness to this rich, intense and elegant wine. Grapes are harvested at perfect ripeness and all the work on the vines is kind to the environment and sustainable for the future. Controlled vinification with natural yeasts and cold maceration is used, leaving the must on the grape skins for 12-24 hours at low temperature to preserve all the flavour of the fruit.

AWARDS

Gold medal winning and highly rated.
Prix Excellence des Oenologues de France.
